

# EDP League

---

EDP Soccer requires a one-time performance deposit for new teams entering the EDP League or National League Conference Managed by EDP. Performance deposits are held to ensure teams are acting appropriately during their playing time. If needed, EDP may use the performance deposits to cover referee fees or fines. Performance deposits are held while the team is participating in the competitions throughout the years. Teams can request the performance deposit back when they choose to no longer participate in the league or age out. Requests for returns must be submitted through the online form and done within six months of leaving the league.

## Performance Deposit Form

email to: [juanita@edpsoccer.com](mailto:juanita@edpsoccer.com)

Team Information	
Team & Club name	
Gender	
Age Group	
Is this the team that paid the performance deposit?	Y/N
