

REGIONAL SHOWCASE

MANAGED BY 

NEW ENGLAND 2024

INFORMATIONAL LETTER

FOR ACCEPTED TEAMS

USYS NATIONAL LEAGUE REGIONAL SHOWCASE NEW ENGLAND 2024

Managed by EDP Soccer

This letter contains all the information you'll need for a successful tournament.

USYS National League Regional Showcase New England 2024 Managed by EDP Soccer

15U-19U Boys and Girls • Saturday, Sunday, and Monday — May 25-27, 2024

Progin Park: 512 Old Union Turnpike, Lancaster, MA 01523

edsoccer.com/usys-regional-showcase-ne

Coach / Team Manager,

EDP Soccer would like to thank your club and team for choosing to participate in our event. We expect that you are reading this letter because your team has been accepted to compete in the upcoming **USYS NATIONAL LEAGUE REGIONAL SHOWCASE NEW ENGLAND**. Please review the following information carefully, as all of it is important knowledge to help your team have an incredible and competitive soccer experience.

A) APPLICATION

Please note that your application is not officially complete until payment has been finalized. EDP Soccer will fully accept teams after their online application has been accepted and their payment received.

Teams that are not accepted will be placed on a waiting list. If your team is ultimately not accepted, any necessary refunds will be issued after the event concludes.

B) HOTEL LODGING & ACCOMMODATIONS

A requirement for acceptance for out-of-area teams is that your team utilizes sanctioned tournament lodging through Titan Travel, Powered by EventConnect—EDP Soccer's official housing provider, or the specified event hotel partner - Massachusetts Youth Soccer Association (MYSA).

Note that we reserve blocks of rooms near our event facilities well in advance to ensure that participating teams' needs are adequately met. If we do not utilize these reserved rooms, the hotels may not make these rooms available at future events, especially at times of the year when lodging demands in the area are at their peak. Failure to comply with this requirement may lead to revocation of a team's acceptance in the tournament. It is a stay-to-play tournament for teams outside the daytrip area, as stated in the Application Information posted online. Therefore, your cooperation with our stay-to-play policy is expected.

To reserve your accommodations, you will need your Club Name and Team Name, as well as your team's age group and contact. Book early to take advantage of the discounted rates we've negotiated on your behalf—They are only guaranteed for a limited time prior to the event!

QUESTIONS?: Please contact Hotels and Fields Coordinator, Lori Jimenez at 978-422-4097 or at ljimenez@mayouthsoccer.org. Please see the MYSA event hotel page for full details and policies.

C) EDP PATHWAY TO COLLEGE™ & CONTACTING COLLEGE COACHES

As a leader of your team, it is your job to make this showcase as meaningful as possible for your players. College Coaches, Recruiters, and Scouts know that Showcases offer a wide variety of quality players appropriate for a variety of competitive programs. However, **College Coaches typically watch those teams whose players have called, emailed, or written them before the showcase.** There are only a limited number of Top 25 NCAA Division I and II colleges in the area, but EDP Soccer emails a regional and national list of hundreds of male and female programs in NCAA Division I, II and III levels, as well as NAIA, NJCAA, and more. There are college programs in attendance recruiting for virtually every skill level among dedicated players. Coaches in all these schools know that landing a player is much easier if a player is already considering and interested in their school. Coaches can only be aware of those players are if the players make their interest known to them.

HAVE YOUR PLAYERS START CONTACTING REGISTERED COACHES IMMEDIATELY!

Even if they are only vaguely considering a school, contact the Coach, it costs little or nothing to send an email, or use the tools that our recruiting partners offer to stand out. Your players should follow up their initial contacts several times such as, when we release the schedules, to let coaches know what times and fields they will be on.

Several pertinent articles and informational resources are posted on the EDP Pathway to College™ Section of our website at - www.edpsoccer.com/pathway-to-college. Also, if you have players that do commit to play soccer at a college, they can promote their achievement by listing their commitment on the EDP College Commitments page of our website.

D) MAXIMIZE EXPOSURE - CREATE & UPDATE YOUR TEAM'S DIGITAL PLAYER PROFILES

Player Profiles will be prepared for and provided to all registered College Coaches and Scouts in both an electronic form and printed form for this event. However, this requires your team inputting player info into two separate platforms - GotSport and Signing Day Sports, EDP's official recruiting tech partner.

SIGNING DAY SPORTS (SDS) – This dynamic app and recruiting platform is EDP's official scouting technology partner. This robust digital system uses data and video footage to increase your players' chances of getting recruited. Players will be able to add all of their athletic and academic information into the SDS app. College Coaches will be able to instantly view schedules, team rosters, and individual player profiles in SDS from their mobile devices, including live at the field during the Showcase so they can evaluate your players onsite. All team staff should ensure that their players follow instructions to enter their information and upload video to build out their digital profiles in SDS. Many EDP events will have representatives from SDS onsite at a designated location to assist with capturing skill drills and video measurables. Accepted teams will be contacted by EDP and SDS on when to begin this process.

[DOWNLOAD THE APP](#)

[LEARN MORE ABOUT SDS](#)

GOTSPORT - In addition, the Team Manager is responsible for setting up and maintaining the TEAM ACCOUNT in www.GotSport.com. Once a Team Account is set up, your team can apply to events such as this Showcase, and hyperlinks will allow tournaments to access team History and Roster information.

The Player Profiles created in the ROSTER function of a Team Account can be shared digitally and printed. This EDP Showcase uses these formats to help organize all the participating teams and players into a Coaches Book, which EDP Soccer provides to all registered College Coaches and Scouts. The Player Profiles are available to college coaches online in their full version on www.GotSport.com. An abbreviated version with key data for each player can be printed for each team. See the recommendations below to take full advantage of the Player Profiles from GotSport.

You should plan on completing this player profile process as soon as possible before the event as EDP Soccer needs time to download, collate, and print profile books for College Coaches.

Team Managers generally enter very basic player information into the roster: Name, ID#, Uniform#, Birthdate, Email address. The system then allows Team Managers to automatically generate individual screen names and passwords for each player on the team so that the individual player then completes and updates their own profile: phone, address, grades, SAT scores, athletic honors, interest in courses of study and colleges, etc.

GotSport.com has an ever-improving Zendesk site with articles that explain these processes.

MAIN INFO MENU:

<https://gotsport.zendesk.com/hc/en-us>

HOW TO UPDATE COLLEGE PROFILE:

<https://gotsport.zendesk.com/hc/en-us/articles/4411695232663-How-to-update-college-player-profile>

IMPORTANT NOTE: When EDP Soccer prints the Player Profiles for the Coaches Book to be distributed onsite to coaches, each player's vital data will appear on a summary, including, contact info, graduation date, GPA, SAT scores, etc. More extensive information will only be available to college coaches online. (*EDP DOES NOT SHARE PERSONAL INFO WITH THIRD PARTIES.*)

CRITICAL RECOMMENDATIONS to ensure player gets maximum benefit:

1 - PLAYER INFORMATION. The summary text information or athlete statement entered online, which is the narrative text about a player, is important to give coaches a quick overview of your players. Players should complete this and be sure to enter their most important player info: ODP, high school honors, all-star teams, acceptance to significant training programs, etc. Use this space to get across the most important info being brought to coaches' attention. Also, academics are extremely important. SAT/ACT, GPA, honors, extra-curricular activities are all very valuable. Choosing your preferred areas of study/major and event school preferences help college scouts match you to their programs.

2 - PLAYER PHOTOS. A small thumbnail of any player photo submitted appears next to the player info in the Coaches Digital Recruiting App and Printed Book. It is best not to waste this on a full body shot, use the opportunity for a zoomed in and well-cropped headshot so you can be easily identified on the field during your games.

3 – PLAYER INFORMATION UPDATES. Players should review and update their personal information before every event. GPAs, SAT scores, contact information, Sports Honors can change and should be current.

Please complete the roster / profile information in GotSport and on our recruiting partner platforms AS SOON AS POSSIBLE. This will allow EDP Soccer enough time to ensure that player profiles will be delivered digitally to college coaches as well as printed and transported to the event.

Remember: College coaches get frustrated if they try to scout a team or players and no data is available. The Showcase is geared to catering to Coaches' needs. We try to ensure that any coach assessing players has access to as much accurate information as possible.

E) VIDEO-FILMING SERVICES FOR GAMES

EDP Soccer is delivering teams and college coaches complimentary access to the video captured at all showcases to help them navigate the EDP Pathway to College™.

All games on all fields for all ages and genders will be filmed professionally by Next Level Video. Your game film will be shared with all registered college coaches and scouts. A few days after the event, if your team contacts and players provided contact info in their roster or recruiting profile, they will receive

your game videos when available for viewing in our official recruiting technology partner app, SDS.

EDP Soccer is proud to support your club and teams. We hope your players and families find this video sharing program helpful to support their recruiting experience. Check the event webpage for further information.

F) RULES & REGULATIONS

Rules of Play and Conduct are accessed from the Event Homepage. Your team is responsible for being familiar with the contents, so it's a must-read document.

Major conduct items: No smoking, no drugs or alcohol, no pets, no abusive behavior. Obey traffic directives. Please pick up your trash. See our facility rules listed below and follow others posted onsite.

Note that halftime will be a short stoppage to exchange halves and grab a drink to keep fields in play as much as possible for the coaches in attendance.

Note the Substitution Rules intended to let players easily get on the field for their scheduled minutes, and to avoid unnecessarily lost time due to coaches' and players' indecision. Policy can be summarized as follows:

SUBSTITUTIONS

- Unlimited substitution with the head referee's permission, at every stoppage in play.
- Players must be clearly standing and waiting AT THE MID-FIELD LINE to be substituted (and not merely waiting "in the vicinity of mid-field"), and the referee's assistant (AR) should be alerted, to the extent possible, of the request to substitute at the next stoppage of play.
- Players standing at midfield MUST be substituted into the game at the next stoppage of play (subject to the referee's discretion), unless they remove themselves from the mid-field position prior to the stoppage of play.

G) TEAM REGISTRATION & CHECK-IN

Teams are required to REGISTER ONLINE before the event and have the relevant team, coach, and player documents in their possession at the event.

All teams must have:

- A copy of the Team Roster that can be left with EDP HQ or event officials. It must be updated with any Guest Players being used.
- Player Passes for all participating players, rostered and guest.
- Authorizations for Medical Treatment, more commonly referred to as Medical Releases, for all participating players. The ones executed when the player was first registered with the team for the season are usually adequate. Remember, these documents are critical to ensure that a player can be admitted to an ambulance, clinic or hospital for treatment, especially in the absence of a parent or legal guardian in attendance. These documents must show original signatures. (And preferably be notarized, as we have heard of clinics that questioned how they could confirm the signature was actually a parent or legal guardian.)
- Permissions To Travel for those out-of-state teams using USYS passes from State Soccer Associations that require a Permission to Travel.

This is an "unrestricted tournament", which means all USSF-accepted player passes can be used. The event has sanctioning from both USYS and US Club Soccer.

Remember: All players on your team must have player passes from the SAME governing body, whether it is USYS, US Club, or AYSO, etc.

Proper team check-in allows all parties to be fully registered, insured and eligible to participate in competitive play. Check-in procedures and deadlines are communicated multiple times to teams prior to each event and posted on various web pages and documents. EDP Soccer has a firm stance with regard to a team's failure to check in prior to an event.

Failure for a team to check in prior to an event will result in:

- Zero points being awarded for any ties or wins for any teams that play while they are not checked in. Example: If the team that did not check in wins a game 2-0, they will receive zero points in the tournament standings.
- If check in occurs after the team plays a game, all future games will be eligible to earn points towards standings. Past games will remain ineligible to receive points towards standings.

Failure to check in by the end of Day One will result in the following steps:

- All previously played games will be recorded as a forfeit (2-0 loss).
- If the team does not check in prior to the start of play on Day Two, all future games will be recorded as a forfeit (2-0 loss). Pattern repeats for day 3, day 4, etc.
- The team and club will be reported to their state association and/or governing body.
- The team will be ineligible to participate in an EDP event for 12 months.

If you are having problems with the Online Team Check-In procedure, please contact the EDP Tournament Group in a timely manner. EDP Soccer's goal is for all accepted teams to attend and all scheduled games to be played. Our staff will assist in any way possible. If any issues or roadblocks occur, your team must inform EDP Soccer. The first place to start is sending a detailed email to tournaments@edpsoccer.com describing your circumstances so we can assess your situation.

H) SCHEDULE OF GAMES

The schedule of games for this competition will be posted to the relevant event webpage on the EDP Soccer website. All schedules are accessible from the Schedule Homepage located by clicking on the 'SCHEDULES & STANDINGS/RESULTS' button.

Please check and re-confirm the dates, times, locations, and field numbers of your games as soon as possible after they are posted, and several times prior to the event. In the last ten days before the event, teams will be notified by email if they are involved in a material change. Team Contacts (as provided on your application) are responsible for checking their emails on a regular basis, especially the last week before the event, to ensure that no last-minute communications or updates are missed.

If you have any comments about the schedule, please use the **Request Form** which will be posted on the Tournament Homepage, and included in email notices once the schedule is posted. Do not email or call with these comments. The **Request Form** is quick to fill out and ensures that all relevant information is provided, and that the appropriate EDP tournament staff can review your request. It also allows the small crew working on scheduling issues to easily share the same database of requests.

I) AWARDS & MEDALS

This is a traditional showcase for recruiting so there will not be any awards or medals for Bracket Champion or Finalists. Please come to HQ after your last game for a team photo opportunity.

J) REFRESH YOUR WEB BROWSER / CONTACT MOBILE PHONE MESSAGING

Whenever checking your online information, always click REFRESH on your WEB BROWSER. This ensures you are seeing the latest, live information available online, and not a previous page being stored in your computer's cache. (Failure to do so is the most common reason teams discover they have incorrect information.)

Please check your team account on www.GotSport.com and make sure there is a valid mobile phone number listed for the TEAM CONTACT PERSON INFORMATION. This will be the first number called if there is a scheduling issue, game or field change, or weather problem at the fields.

Also, make sure you avoid using corporate or government email addresses for your team contacts entered in www.GotSport.com. These networked computer systems tend to have strong firewalls and spam filters that invariably prevent group messaging functions that EDP Soccer relies heavily upon for communicating. Please provide email addresses for club, team, or your personal email accounts.

Finally, DO NOT list the same person for coach, manager, and team contact. If EDP needs to communicate with your team, it is very helpful to have alternates—This is why the GotSport system allows for multiple contact listings.

K) TRAVEL & DIRECTIONS

Links to Venue Travel Directions, Maps, Facilities, and Field Layouts to all locations being used for this competition can be accessed from the relevant event webpage on the EDP Soccer website.

L) WEATHER-RELATED UPDATES & ALERTS

EDP Soccer avoids cancelling games due to weather if at all possible and chooses venues that have a high resistance to adverse conditions. So do not assume games are being cancelled without direct confirmation from EDP Soccer. Also, do NOT assume that the weather conditions in your area are the same at our event venues or fields. Weather patterns can be highly localized and different at each of our event locations.

In the event of lightning being detected nearby or within a few miles of our facilities, EDP Soccer will cease play immediately. We may also suspend play in the event of a substantial downpour. Games in the second half will likely be declared as completed. Please have your team get to shelter and have a system for contacting each team member. Fifteen minutes after a stoppage, send ONE team representative to HQ, where event officials will inform all affected teams of the current status of play, and when we expect to resume. DO NOT assume comments by referees or other personnel are authoritative; only the direct notice provided at EDP HQ is authoritative and final. Note, if games are halted for lightning activity, then so are warm-ups on the field. All vendors will cease sales and all attendees should seek shelter. Please refer specifically to EDP's Severe Weather Procedures, which will be shared with your listed team contacts.

The first place for off-site information is the [Tournament Schedule Homepage](#), where weather updates will be posted. This is the GotSport page you are directed to when you click on the 'SCHEDULES' button on the event webpage.

We will also send alerts that weather info has been updated through EDP Soccer emails or even social

media posts, if necessary.

In the event of precipitation, wet fields, or frost, there will be NO WARM-UPS within the four corners of the field, including Keeper warm-ups. The fields will be used strictly for game play when EDP event officials advise it is safe to do so.

M) MANDATORY FACILITY RULES

- Watch for children & park in designated areas. Do not move signs, traffic cones or barriers.
- Park only in designated spots. Do not park just anywhere. You may get ticketed! Or towed!
- No pets, on a leash or otherwise. Service animals must be clearly marked.
- No smoking, drug use, or alcoholic beverages anywhere near the fields.
- No weapons or violence. No derogatory, foul, or abusive language
- Teams must pick up their trash. The pitch is sacred ground and shouldn't be buried in discarded water bottles and wrapping tape.
- Any tents or canopies must be properly anchored.
- No BBQs or other open flames.
- Cooperate with tournament officials, referees, and field marshals.

Anyone caught abusing the above items may be evicted from the premises, and it may lead to early termination of an offending team's participation.

N) EVENT POLICY ACKNOWLEDGEMENTS

Teams participating in this event acknowledge that all players, coaches, managers, parents and affiliated parties have been advised of the contents of the following items, and will abide by the directives and provisions contained therein:

- INFO LETTER FOR ACCEPTED TEAMS (This document)
- EDP TOURNAMENT RULES & REGULATIONS
(www.edpsoccer.com/policies/showcase-rules)
- EDP TOURNAMENT PAYMENT, CREDITS & CANCELLATION Policies
(www.edpsoccer.com/policies/payment-%26-credits-policy)
- EDP MEDIA POLICY – PHOTO/VIDEO/AUDIO
(www.edpsoccer.com/policies/photo%2C-video%2C-and-audio-policies-and-disclaimer)
- EVENT DETAILS / APPLICATION INFORMATION (Accessed from the event web page)
- Any tournament updates, weather and schedule changes, or other matters that are posted on the EVENT SCHEDULE Homepage or emailed to Team Contacts before, during, or after the event.

EDP Soccer events follow all local, state, and federal government health and safety guidelines, as well as all State Soccer Association and facility protocols. By registering for and attending EDP Soccer events, all participants and their entourage agree to comply with these requirements.

Thank you for your cooperation. We are looking forward to an exciting competition.

Ashley Wells

Executive Director of Tournaments

EDP Soccer
